Oflon o systemau caeau sydd wedi goroesi i'r gogledd o Drefaldwyn. Mae'n bosibl bod y patrymau troellog o gribau a chwysi a'r gwrthgloddiau mwy yn deillio o gynnod canoloesol neu ddiweddarach. AP_2004_0937
Traces of field systems surviving to the north of Montgomery. The sinuous ridge-and-furrow patterns and larger earthworks could be of medieval, or later, date. AP_2004_0937
