Part 2, fig. Refers to textual description of stratification and structural history of the excavations.

Part 3, fig. Refers to textual description of finds from the excavations.

DOC. NO.

SUBJECT MATTER

1. Notebook describing excavations at the Gateway
2. Plan of castle earthworks with plan of excavated features. Paper
3. Section of Gateway; south face of cutting MGI. Graph paper; paper. Part 2: fig. 14
4. Section of Gateway; south face of cutting MGI. Paper. Part 2: fig. 14
5. Unused
6. Section drawing through the centre line of the Gateway. Graph paper
7. Unused
8. Drawing of excavations at the Gateway. Paper
9. Notebook describing excavations by the box method in the castle Interior. Hardcover; paper
10. Plan of upper lip of Pit in unit F1. Graph paper
11. Section drawing of Pit in unit F1. Graph paper
12. Notes and drawing re. Stratigraphy of Pit in unit F1. Papers (2)
13. Notebook containing descriptions and drawings of excavations in Interior and unit F1. Paper in card folder
14. Notes re. Stratigraphy of Pit in unit F1. Paper
15. Drawings of excavated features at the Gateway. Paper; card
16. Drawings and notes describing excavations at the Gateway. Paper; card
17. Unused
18. Description and drawings of excavations in unit F11. Graph paper
19. Description of excavations in unit F12. Paper
20. Section drawing across 'Motte Ditch'. Graph paper
21. Drawing and descriptions of excavations across the 'Motte Ditch'. Paper
22. Drawing and descriptions of excavations across the 'Motte Ditch'. Paper; card
23. Drawing and descriptions of excavations across the 'Motte Ditch'. Paper
24. Drawing of survey peg positions re. 'Motte Ditch' cutting. Paper
25. Drawing of features excavated in the Bailey. Graph paper
26. Description of excavations in the Bailey. Paper
27. Drawing of features excavated in the Bailey. Graph paper
28. Description and drawing of excavations in the Bailey. Paper
29. Description and drawing of excavations in the Bailey. Paper
30. Notes describing excavations of the 'Motte Causeway'. Paper
31. Drawing and notes of excavations of the 'Motte Bank' (I). Paper
32. Section of ringwork bank, south face of MBI. Paper; tracing paper; film. Part 2: fig. 9
33. Section of ringwork bank, between MBII and MBIII. Paper; film. Part 2: fig. 8
34. Drawing of excavated features at rear of 'Motte Bank' on the east side of the castle. Graph paper
35. Drawing and notes of excavations of 'Motte Bank' (I & II). Paper
36. Drawing of excavations of 'Motte Bank' (III). Paper
37. Notebook describing excavations of the 'Motte Bank'. Jobber notebook

38. Drawings and notes describing excavations at rear of 'Motte Bank' on east side of the castle. Paper
39. Unused
40. Unused
41. Unused
42. Papers of C. H. Houlder re. Castell Tan-y-bwlch: historical. Paper
43. Unused
44. Note in C. H. Houlder's handwriting showing that finds were loaned, not gifted, to Ceredigion Museum. Paper
45. Unused
46. Unused
47. Unused
48. Unused
49. Unused
50. Unused
51. Papers re. Castell Tan-y-bwlch: Finds. Correspondence
52. C. H. Houlder papers re. Castell Tan. In files and envelopes
53. C. H. Houlder papers re. Castell Tan. In files and envelopes
54. Set of index cards detailing the stratigraphy of the 'Motte Bank' in 1961 & 1962 excavations.
55. Set of index cards recording finds by context
56. Notebook recording pottery finds. Card cover
57. Notebook recording iron objects. Card cover
58. Notebook recording Small Finds. Card cover
59. Notes by C. H. Houlder re. Finds. Paper; card
60. Unused
61. Unused
62. Full-scale pottery drawings of vessels published in *Archaeology in Wales* 56: 36-50
63. Report on Finds by Cardiff University. In plastic folder; paper; photos; x-rays
64. 12 7.4 cm square glass slides of excavations, site generally and some finds. Includes Part 3: fig. o. Key; Part 3: fig. p. Key
65. Air photograph of site. Non-RCAHMW source
66. Prints of site excavation photographs (now digitised for Coflein) Digitised record: Part 2: fig. 10: Ringwork Gateway – records state: 'Revetment on E side of Per II gateway. Roadway cleared to level as at time of its destruction' C579499: CTYC/01/TYB 56/09; Part 2: fig. 11: As fig. 10. C579508: CTYC/01/TYB 56/10; Part 2: fig. 12: As fig. 10. C579505: CTYC/01/TYB 56/10; Part 2: fig. 13: Ringwork Gateway – records state: 'Cuttings MG.I + II from W' C579517: CTYC/03/TYB 57/01.
67. Section of G1. Paper. Part 2: fig. 17
68. Plan of G1. Tracing paper. Part 2: fig. 16
69. Section of Gateway postholes. Tracing paper. Part 2: fig. 15
70. Plan of the area at the rear of the east bank of the ringwork. Tracing paper; paper; film. Part 2: fig. 7
71. Section of the rock-cut pit, F1. Tracing paper; paper; film. Part 2: fig. 6
72. Section of Ringwork ditch. Tracing paper; paper; film. Part 2: fig. 5
73. Plan of excavations. Graph paper; tracing paper; paper; film. Part 2: fig. 4
74. Plan of site before excavations. Paper; film. Part 2: fig. 3
75. Location of site (see *Archaeology in Wales* 56: 36-50, fig. 1). Part 2: fig. 1
76. Part 3: fig. u. Whetstone. Paper; film
77. Part 3: fig. v. Lead drop. Paper; film
78. Part 3: fig. w. Lead weight. Paper; film
79. Part 3: fig. m. D-ring (E-F). Paper; film

80. Part 3: fig. n. D-ring (E-F). Paper; film
81. Part 3: fig. k. Manacle and chain (C-D). Paper; film
82. Part 3: fig. l. Manacle and chain (C-D). Paper; film
83. Part 3: fig. h. Part of horseshoe. Paper; film
84. Part 3: fig. i. Possible bit. Paper; film
85. Part 3: fig. j. Pricket candlestick. Paper; film
86. Part 3: fig. g. Horseshoe (A-B). Paper; film
87. Part 3: fig. t. Whetstone. Paper; film
88. Part 3: fig. q. Key no. 3. Paper
89. Part 3: fig. r. Pendant. Paper
90. Part 3: fig. s. Silver ring. Photo
91. Part 3: fig. f. Spindle whorls. Paper; film
92. Collection of pottery drawings: published in Part 1, *Archaeology in Wales*
